---

*If a student takes 48500 as an advanced option in year 1 (Core) and then decides to take the clinical practice concentration, the student must take 445xx in year 2.

** It is recommended, but not required, that a student selects from a "cluster" of classes when choosing elective courses: Community Organizing, Planning, and Development; Management; Policy Planning, Analysis, and Advocacy

*** When choosing electives, 60% of our students design their own educational program. Others choose to apply to and complete a Program of Study.

* If a student takes 445xx as an advanced option in year 1 (Core) and then decides to take the social administration concentration, the student must take 48500 in year 2.

** Students choose one 2-quarter course sequence in one practice method and one course, for one quarter, in a different practice method. Practice methods offered: Psychodynamic, Cognitive-Behavioral, Family Systems

*** When choosing electives, 60% of our students design their own educational program. Others choose to apply to and complete a Program of Study.

**** Exceptions are the School-based Programs, which require students to be in the field for three days a week during the school’s academic calendar.
