* If a student takes 48500 as an advanced option in year 1 (Core) and then decides to take the clinical practice concentration, the student must take 445xx in year 2.

** It is recommended, but not required, that a student selects from a "cluster" of classes when choosing elective courses: Community Organizing, Planning, and Development; Management; Policy Planning, Analysis, and Advocacy

*** When choosing electives, 60% of our students **design their own educational program**. Others choose to apply to and complete a Program of Study.

---

**Programs of Study** allow students to tailor their degree program to their professional interests. Some programs are for Administrative students, some are for Clinical, while others are for both.

**Social Administration and Clinical Practice**
- Family Support
- Global Social Development Practice
- Graduate Program in Health Administration and Policy/GPHAP (*This is a certificate program open to SSA, Booth, Harris and Law*).
- GPHAP: Global Health Cert. *(includes Pritzker)*
- Older Adult Studies
- Violence Prevention

**Social Administration-only**
- Leadership in Community Schools
- Poverty and Inequality

---

**Electives**

Sixty percent of students **design their own program** by taking a series of courses around an area of interest, a population, or a social problem. Examples include, but are not limited to:

- Child and Adolescent Mental Health
- Family and Child Welfare
- Group Work
- LGBTQ Clients
- Low Wage Jobs and Work Force Development
- Mental Health
- Trauma
