Pre-Registration Policy

Prior to the opening of general Course Registration, certain students may be eligible for Pre-Registration into courses for the following quarter. Pre-registration is performed by, and at the discretion of, the Office of the Dean of Students. Pre-Registration is intended to be used sparingly.

Students eligible for Pre-Registration include:

- Incoming students are pre-registered into SSAD 30000 and SSAD 30100 during their first year.
- Incoming Accelerated Students are pre-registered for their first quarter (Spring).
- Students who are cleared for an early registration accommodation through the Office of Student Disability Services.
- All students are pre-registered for Field Practicum.
- Students engaged in Programs of Study (e.g. GPHAP, SSW Type 73), in the EEP program, or in Joint/Dual Degree programs can be Pre-Registered for required coursework. Note that these students are not pre-registered for elective coursework.
- Students who work as Student Recruiters for SSA Admissions.
- Students who serve on the Student Government executive committee.
