* If a student takes 445xx as an advanced option in year 1 (Core) and then decides to take the social administration concentration, the student must take 48500 in year 2.
** Students choose one 2-quarter course sequence in one practice method and one course, for one quarter, in a different practice method. Practice methods offered: Psychodynamic, Cognitive-Behavioral, Family Systems.
*** Clinical concentration students are encouraged to use at least half of their electives on courses that support their clinical and direct practice training.
